*Les Tables de Joséphine is a studio specializing in table styling and creating ambiance around the art of dining. Joséphine Jubineau, the creative director, crafts uniquely colorful experiences that awaken the senses. Her creations are immersive, blurring the lines between spectators and participants in the dining experience. Authenticity, originality, and passion are the values that unite our ideas and current desires.*

## THE CONCEPT

A Strong Identity for Discerning Hosts!

Capturing authentic moments, stimulating the imagination, and inspiring a new generation of curious individuals — *Les Tables de Joséphine's* creations feature dark or vibrant colors, dissonant or harmonious fabrics, and a collection of eclectic objects steeped in history. They transport guests on a journey, evoke smiles, trigger daydreams, and ignite intrigue.

## OUR MISSION

Leave a Lasting Impression!

*Les Tables de Joséphine* create unique table settings that your guests will remember for a long time. It's not just about feeding the stomachs; sharing a meal also nourishes the soul!

## LET'S WORK TOGETHER!

## WORK WITH US

Our years of experience in scenic design and styling have equipped our team with essential skills to guide you toward concepts that align with your ideas and identity.

After a series of interviews to define the scope and gather your desires and expectations, we create a tailor-made project to make the upcoming meal truly unforgettable.

Each project involves in-depth research to understand your personality, assimilate the history of your product, the identity of your brand, and the DNA of your project.

Inspired by rich color palettes, vibrant and diverse textures, and over 2000 years of Art History, our team is dedicated to creating the most captivating tablescape.
